

ABOUT US

Welcome to Miami Jewish Home & Hospital, a place where careers flourish and opportunities are endless. For well over half a century we have been the employer of choice for people that seek new challenges and opportunities for growth.

We are the largest senior healthcare facility in the Southeastern United States, serving more than 700 senior patients and thousands more through our comprehensive services and community based locations. Our state of the art facility offers an array of services from sub-acute pulmonary services and rehab therapy programs to outpatient behavioral health centers.

With over 462 beds in the skilled nursing home and 32 in the hospital, the career opportunities are endless.

GROW WITH US

You may be surprised to learn that our services range from the expected – long-term care, case management and Alzheimer's programs – to the unexpected – an internationally-renowned biofeedback center, an award-winning pain center and a well-respected geriatric research institute. As the first and only Teaching Nursing Home in the State of Florida, the Miami Jewish Home & Hospital is deeply committed to creating and promoting multidisciplinary education, research and best practices and is affiliated with many leading educational institutions.

One of the area's largest employers, the Miami Jewish Home & Hospital has a culturally diverse staff of over 1,500 professionals who play a paramount role in the work environment at the "Home." Without the many unique employees we would not be able to accomplish the positive work synergy and dynamic atmosphere that make us a premier healthcare organization.
